### How it Works:

- We offer Free Team FPI Jerseys for your entire league team for any sport or any season. If you would like to design and print your own jerseys they must be approved and registered by The Fireplace Inn.
  - 25% off your entire team food and drink bill (on full price items only) at The Fireplace Inn either before or after the game. To receive team discount, at least 1/2 of the table MUST be in their Team FPI jerseys upon arrival. No Exceptions!
  - We also offer a end of the year Team FPI Party where all of the teams will be invited to The Fireplace Inn for 2 hours of complimentary Open Bar, complimentary Appetizer Buffet, and raffles for great prizes.
  - Team Captain is responsible for all correspondence between the team and FPI. The team captain will also provide a valid credit card to be on file in the case jerseys are ordered and not picked up at the restaurant in a timely manner to be used in league games. If shirts are not picked up, the team captain credit card will be charged \$100 to help cover the cost of the un-used jerseys.
  - All team members email addresses must be valid and will be opted into our email database for correspondence and details about the end of the year Team FPI Party as well as other promotional offers, events and discounts.
